2027 November Tribute Cruise
EMAIL UPDATE #3
(October 2026)

Hello Tribute Cruisers!

This is the **third** of our regularly scheduled email updates for the 2027 November Tribute Cruise on board the Margaritaville at Seas Islander. You are receiving this because you have a confirmed booking!

If any of your cabin mates did not receive this email, it is because we don't have their email address as part of your confirmed reservation. Please have them reach out to me directly to register their email address. If we do not have a unique email address for each passenger, those passengers may miss notices and updates and will not be able to participate in our survey at the end of the cruise.

!!!Important Travel Insurance Update!!!

The cost of travel insurance is going up! If you have elected for travel insurance it needs to be paid off by October 28, 2026, to avoid the price increase. I intend to process payments for everyone who selected travel insurance on Monday, October 26 **unless I hear from you.** If you did not yet elect to purchase travel insurance you can still do so at the current rate:

- $98 per person for Cozy Interior Cabins
- $143 per person for Picturesque Oceanview Cabins
- $143 per person for Breezy Balcony Cabins
- $181 per person for Suites

Click here to view coverage details for the Group Advantage Plan by Allianz.
If you would like to add coverage, or you would prefer I waited to charge you for your coverage, please respond to this email by the end of the week.

Encourage your Friends to Join us!

The cruise is selling fast but we still have a great assortment of cabins available at the introductory rates. Guests can still book with great pricing. See the website for prices for 1 to 4 guests sharing any type of cabin! If you have friends you think would enjoy this trip with Cote Deonath, Robert Washington, Ted Torres, Dan Barrella, Riley Jenkins and Alex Mitchell encourage them to sign up now!

Introducing Cruise Control
"Cruise Control" is Margaritaville at Sea's guest portal where you can log in, review your cruise, book excursions and purchase extras like drink packages and wifi. To log in, get the "Reservation ID" number from the confirmation I sent you. Then click here for the website and enter it into the "Booking ID" field and then enter your last name. You will be sent a one time use verification code via email every time you log in. Enter that and it will take you to your reservation. If you do not get the verification code email, please contact me as your email may have been entered incorrectly.

If you have signed up for Travel Insurance, please ignore the "Your Cruise Is Not Yet Protected" banner. If Travel Insurance is shown on your confirmation, we have it set up to be paid with final payment on August 1, 2027.

From the main page you can edit your guest information and provide travel document information. If any of the information you cannot change appears incorrectly, please let me know!

Click on the "Enhancements" tab for dining and drink packages, wifi packages, excursions and other items. Add items to your "cart" and then pay with a major credit card.

Click on the "Prepare to Sail" tab for details about Travel Documentation, Luggage Tags, and boarding information.

Final Payment & Payment Plans
Final payment is scheduled for August 1, 2027. At that point your cruise must be paid off. If at any time you'd like to submit a one time payment, or if you'd like to set up recurring monthly payments, or if you'd like to change your method of payment, please complete this secure form.

Prepaid Gratuities
Unlike the other cruises we have produced, prepaid gratuities are included in your confirmed rate!

Website
For all the details we currently have on the cruise, visit our website by clicking here.

Host Hotel - Travel (more info to follow)

We will be staying at the beautiful Barrymore Hotel on the Tampa Riverwalk prior to departure. The hotel is offering a great rate of $199* from Tribute Cruise passengers and is offering a free shuttle to and from the port for all guests. Click here for more details.

There is no shuttle to the hotel from the airport, so you will need to Uber or take a taxi.

If you are driving to the hotel, you can make arrangements to leave your car for $10 / night (please let them know when you are making your reservation). You can also choose to leave your car at the port, more information will be provided closer to departure.

Tickets
There have been a lot of questions regarding tickets to the shows. **If you have booked your cruise with us, you are entitled to attend all of our exclusive Elvis entertainment and events.** Either at the kick off reception at the host hotel (details to be announced), or once you are on board, you will receive your pass to all the events, a program with a schedule of events, and your cruise t-shirt. You will need to wear your pass to all of the events for admission. A preliminary schedule of events (subject to change) is on the website and can be found by clicking here.

What's Included
We have also gotten questions as to what's included in the price. The price on your confirmation includes your cabin and dining as well as all taxes and fees, prepaid gratuities and all of the entertainment we and Margaritaville produce on board. It does not include travel insurance, unless it was requested by you and reflected on your confirmation. Travel insurance can be added to your reservation, up until final payment.

Drink package, internet package, and excursions as well as some specialty dining options on board incur an additional cost and can be booked directly by you through the Margaritaville at Seas "Cruise Control." More information on Cruise Control and Margaritaville's "Player's Club" casino program will be included in future email updates.

Overnight accommodations at the host hotel and transportation may incur additional costs. More information on these will also be provided in a future email update.
